FACTS -**

**BRAND NEW TO WOMEN'S RODEO WORLD CHAMPIONSHIP:**

- In partnership with Nextgen Rodeo App, Women's Rodeo World Championship (WRWC) offers a "WRWC Package" designed to provide a bundle of opportunities including discounted nominations and an Open/Challenger/Limited sidepot opportunity.
- WRWC Packages are only offered at select events where the producer has an agreement with WRWC and NextGen Rodeo App.

**TOP REASONS TO ENTER THE WRWC PACKAGES:**

- Discounted WRWC Nomination Fees
- Sidepot payout guaranteeing money back at each event
- Opportunity to qualify to the 2025 \$802,000 Women's Rodeo World Championship

**HOW IT WORKS:**

- WRWC partners with alliance producers and sells Open, Challenger and Limited WRWC Sidepot Packages through the NextGen Rodeo app.
- The WRWC Open, Challenger and Limited Package costs \$150 and includes:
  - WRWC 2025 Nomination for the Open
  - WRWC 2025 Nomination for the WRWC Sidepot
  - Entry into the WRWC Sidepot
- Athletes are required to enter the Pro, Challenger or Limited sidepot package based on how they are ranked on the W25 leaderboard
- Entries remain open until the event starts, and the sidepot results will be verified the week after the event (or onsite depending on the producer).
- Cowgirls that enter the WRWC Package do not need to nominate the Open class or the WRWC Sidepot towards W25 in the VRQ because their nominations are provided in the WRWC Package. If there are additional sidepots or other VRQ segments they'd like to nominate, that will need to be done in the VRQ.

**ADDITIONAL WRWC PACKAGE OPPORTUNITIES:**

- Equine Sports Alliance members have the opportunity to enter WRWC Sidepot Packages at all ESA races.
